Core Competencies

Tenacity Transportation Inc. provides construction support services with professional hauling, excavation, grading, demolition, road repairs, and dump services. The company also offers its transportation services utilizing dump trucks, lowboy, flatbed, and landoll equipment.

All services are performed by experienced drivers and machine operators committed to safety and meeting the specifications of our projects. Our fleet includes semi-trucks, dump trailers, lowboy, landoll, 53 ft. flatbed, excavator, bulldozer, backhoe and tandem dump trucks.

Past and Current Performances

Tenacity Transportation Inc. has been operating since 2009 and was incorporated on November 30, 2015. The company serves municipalities, prime contractors, commercial businesses, and residential clients throughout the southeastern area of Chicago, Illinois. Highlighted below is a sampling of our past and current clientele:

- Pembroke Township
- Salina Township
- Kankakee Valley Construction Company (KVCC)
- ConGlobal
- Essex Township
- Yellowhead Township

Mission

Tenacity Transportation Inc. endeavors to improve the standard of living in our community by providing quality transportation and construction work for roads, infrastructure, and site development. We stand committed to support municipalities, developers, prime contractors, businesses and homeowners with reliable, cost-efficient work that adheres to high standards.
